THERE ARE MANY WAYS to die in Syria, but fighting Putin is not one of them.

In spite of the Jews **crying** for a "no fly zone," Putin **vows** he won't allow it. And besides, US jets don't want to be **targets** of Russian anti-aircraft missiles supplied to Syria.

For when Russia's embassy in Damascus was recently **bombed** by 'rebels,' Putin **demande**d that "concrete action" be taken by the "foreign sponsors" who he blamed for the attack.

Those are fighting words and Jewmerica got the message.

With a Russian military canton **deployed** to Al Assad International Airport with an air bridge from Russia involving military aircraft, such as Antonov-124 Conдор transport flights, any attempt at a "no fly zone" will be met with a quick **ruski** reply.

"The tables are turning on those who conspired against Syria," **boasts** Syria's foreign minister, Walid al-Moallem.

"Russia's participation in fighting ISIS and al-Nusra in Syria will show that the US never had a real strategy for fighting terrorism in Syria," he **added**.

Of course, Jewmerica's real strategy has been to topple Assad and install a Zionist-friendly puppet. It's not working. Putin outsmarts any country **led** by Jews.

Obama's **warning** to Putin that his deployments in Syria are "doomed to fail" and that he has to "get a little smarter" was met by a shrug, letting Jewry's 'schwartzta' squawk away.

For with Iran now **unfettered** due to the nuclear deal, Putin is **providing** Syria with satellite intelligence, digital communications, code-breakers, drones, and non-combatant personnel with their own defense forces.

Iran is also **underwriting** military spending to Russia's defense industry for **both** themselves and their decades-old ally Syria.

But what's **turning the tide** is Russia's satellite intelligence system now deployed in Syria.

Syria's army is **getting** 'real time' military intelligence and feedback on their operations, and is able to coordinate wide operations and simultaneous attacks under a more concentrated command and control system with sustained success.

They can **monitor** the Taktiri movements much better and the terrorists are no longer able to travel with impunity.

Within the past few days, the Syrian Armed Forces, Hezbollah, and Iranian **paramilitary** squads, in various **combinations**, have **performed** many different sorties **across** western Syria with hundreds of the terrorist bastards dead. Syria should soon **get** Palmyra back.

SYRIAN SOLDIERS are particularly motivated because one of their latest **martyrs** was the pacifist, father-figure, Syrian archaeologist, Khaled Asaad, who'd been working to preserve Palmyra all of his life.

Not only did ISIS **destroy** his carefully preserved and curated ancient ruins, they **tortured** him to death.

Who benefits from this bloodbath? Jews, not America.

All blocking of the Zionist quest for a Greater Israel the Jews are determined to crush despite the carnage.

Can the US government be cleansed of its own bloodstained hands?

Only the blood of deep repentance and restitution can wash away their sins.

Dear Real Jew News Family,

I said it a LONG time ago, way before the schismatic blabber mouth Saker is now finally saying it. (I don't poison myself with his twaddle, someone told me that he just came out commending al-Assad.)

What I said years ago is that due to Dr Bashar al-Assad (a better man than ANY Jew) protecting Christians in Syria, God is WITH him and protecting him from Jew destruction.

I try to stay WAY AHEAD of the also-ran 'truthers.'

Don't believe the media (owned by Jews).

Putin will be supplying Syria with S-400s and S-300s. Also if anyone needs China they are there to help at anytime in Syria!

We're in WWII right now folks. It's happening right now. It's just a different kind of war then the Wars of WWI and WWII.

Trust me the Jews won't give up. They will continue to try and murder and destroy to get their NWO. They will try and use NGO's, they'll use their Immigration false flag, they'll try everything!

There is only one Super Power to stop them and that Super Power has now Linked up with China and Iran (Iran will be a Regional Power of the Middle East) and I am sure other countries will come forward to join with Russia.

Zionist Saying is "by deception we shall do war"

They are the Elders of Zion and follow the Talmud.

A balance of power is what the world desperately needs now.

I'm very happy to see this.

Great reporting, thanks!

YOU, brother Nathanael, are a breath of fresh air & glimmer of hope from the pervasive Zionist cancer that infects most of the central banks, the Western military industrial complex, and the mass media!

You are David wielding a banner of truth in defiance of a satanic Goliath who the public at large cannot see.

Please keep safe yourself and your heroic work!

Powerful Truth spoken, my dear, brother Nathanael!

Mighty to the pulling down of the enemy's strongholds...:-)

"Only the blood of deep repentance and restitution can wash away their sins."

2 Chronicles 7:14

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

Barack Obartzta, I mean Obama the puppet is losing again.

Putin is the good guy. Banning porn sites, casinos, select TV shows, and fighting ISIS (gee how did these guys get money and new trucks?)

Isaiah 5:20 –

"Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!"

Here we go with the upside down media. Obama good, Putin bad.

When you're attacked by JCM nightly news, you're the good guy.

There will be no restitution because it is controlled by the Satanists. It has inflicted great bloodshed on innocent people including Middle Eastern Christian martyrs.

The evangelicals have ignored this to their peril and persist in their support of Israel. God is not mocked and will avenge their blood.

Great post, Brother Nathanael.

Here in America we hear of the war gearing up between these opposing forces.

Thanks again. And I am still broke to financially help you but I pray others who are stable in their income will invest in the knowledge you share.

God Bless you, Br. Nathanael, for bringing a breath of fresh air into this Jew-infested country with the Truth and nothing but the Truth.

Both you and Mike King of TomatoBubble.com are best at exposing the Talmudic JWO's deepest secrets, and with such wit, to boot.

What's so hilarious—if the situation in Syria wasn't so tragic—is the Jew-controlled "Community Organizer" aka POTUS Barack Obama threatening the far more intelligent Russian President Vladimir Putin with no fly zones and other consequences.

Putin just shrugged him off. He had recently supplied Syria with S-300 missile defense systems and a satellite tracking system. I don't believe for one second that Obama will be able to do anything about it.

Syria's already able to defend itself with those weapons systems, and there's nothing the USRA can do to change the situation—Russia just checkmated it.

Thank you sincerely for this very enlightening and encouraging article, Br. Nathanael. You're the light at the end of the tunnel. And, don't lose that wit, it will keep your spirits up.

God Bless you always,
Eileen

P.S.: My contribution is on the way.

God will indeed avenge the blood of the martyrs who have been slain in this terrible war in Syria.

They are in heaven, crying out from under the altar, as depicted in the book of Revelation when the martyrs of the Jews and the Roman Caesars resounded their pleas.

'How long, Oh Lord'.

Jerusalem fell in response to such and also because the blood of all the holy martyrs under the Old Testament would be required of the people of Jesus' generation.

The city was bathed eventually in flows of the blood of those Jews.

The Blood of Jesus as shed by the Jews, demanded the just vengeance of His God.

God sees and hears even as He heard the soul of Abel calling and his blood shrieking to Him from the ground.

The powerful and reigning Son of Man in heaven came down in Spirit to Mount Zion itself, with the representative figure of 144,000 souls.

From there He saw and collapsed the city and Temple by Word and deed through the Jews own revolts.

Its final and total doom resulted through the invasion of Titus and his cruel soldiers right into the very precincts of the once glorious Temple.

The multitudes of Christian martyrs slain in Roman times also voiced their pleas for the vengeance of their Lord and Savior God.

Three times a cry was heard eventually from the onlookers at the doomed city, Rome. 'Alas, alas the great city'.

She indeed has fallen long ago, in A.D. 476.

'The mills of God grind slowly but they grind exceeding small'.

It seems that God is about to bring some vengeance upon the enemies of Syria and of her church, and of the peoples of that area.

Their voices acclaim hope from their God.

Is it through Putin that deliverance and vengeance is decreed?

Hope rides high and gleams of light break through!
